SYMSuit Sizes L & XL

SYMSuit makes it possible to train skills on a Real Person, for example a fellow student.

SYMSuit is put on over your own clothes and has a comfortable fit.

7 Wearables and the SYM Water Reservoir can be attached to the Patient Simulation Suit. This allows medical and nursing skills to be practiced. The individual wearables state which these are.

- 1 SYM Abdomen Simulator*
- 1 SYM Buttock Simulator
- 1 SYM Female Genital Simulator*
- 1 SYM Male Genital Simulator*
- 1 SYM Thigh Simulator
- 1 SYM Ulcer Simulator
- 1 SYM Wound Simulator

All wearables can also be used separately from SYMSuit for standalone training.

- * Accessories needed:
- SYM Display Holder
 - SYM Water Reservoir
